About Us

SUBAM CHARITABLE TRUST

Creating Possibilities | Enabling | Empowering | Enriching Lives

Established with compassion and purpose, SUBAM Charitable Trust is a non-profit organization dedicated to uplifting differently-abled individuals, elderly citizens, women in need, and underserved communities through inclusive education, skill development, healthcare, and livelihood empowerment. Guided by a vision of an inclusive society where every individual thrives with dignity and independence, our mission is to enable access, empower through opportunity, and enrich lives through sustainable, community-driven solutions that break social and economic barriers.

Ms. R. Amshaveni, the Founder of Subam Charitable Trust, is a visionary leader who has transformed her 100% orthopedic disability into a source of inspiration and impact. Born in Nattamangalam, Salem, she established the trust in 2010 with the mission to empower differently-abled individuals through skill development, rehabilitation, and livelihood opportunities. Her journey as a social entrepreneur includes roles such as Marketing Head at Sree Sai Solution, Founder of Sudarson Fabrics, and Channel Partner at Profit Ever Traders. She is the first differently-abled woman in BNI International and has received several awards, including the Best Service Award from Salem Corporation. With over 15 years of dedicated service, she continues to lead initiatives that promote inclusivity, women empowerment, and economic independence for persons with disabilities across Tamil Nadu.

Sustainable Development Projects

SUBAM CHARITABLE TRUST is committed to driving inclusive progress through a diverse set of projects aligned with the United Nations Sustainable Development Goals (SDGs). Our initiatives empower the differently-abled, elderly, women, and underserved communities with compassion, dignity, and opportunity.

Quality Education – SSDCC & Subalaya Special School

"Skill for Ability – Learning to Empower"

We provide two distinct educational services: **Subalaya**, our special school, supports children with Autism, Down Syndrome, MR, CP, and HI through therapy-integrated learning. Meanwhile, **SSDCC** equips youth and adults with skills in tailoring, Tally, computers, NVDA, grooming, and communication. We serve differently-abled individuals, women, and unemployed youth, transforming education into empowerment and opportunity.

Good Health & Well-Being–PhysioCare & Healing Hands

"Care with Compassion – Health for All"

Subam's PhysioCare and Healing Hands program delivers vital physiotherapy services, medical support, and assistive devices to individuals with Cerebral Palsy, orthopedic issues, and locomotor

disabilities. Through home visits, clinical care, and diagnostics, we serve financially disadvantaged families, ensuring long-term stabilization, mobility, and improved quality of life. We believe that access to health is a right, not a privilege.

Responsible Consumption & Production – KIOSK Shops & Women Units

"Livelihood for the Needy with Dignity"

Our KIOSK initiative promotes eco-friendly, self-sustaining micro-enterprises operated by differently-abled persons and caregivers. From snack sales to handcrafted items, these shops create livelihood with dignity. Simultaneously, our production units train and employ women (widows, single mothers, and survivors of abuse) in clay jewelry, phenyls, candles, embroidery, and festive foods—fostering economic resilience and responsible production from the grassroots level.

Zero Hunger– NO HUNGER

"Together Against Hunger – For Dignity, Nutrition & Care"

Under the No Hunger initiative, we provide daily nutritious meals to over 100 abandoned senior citizens in P. Nattamangalam and Thammanaickenpatti villages. This initiative ensures that no elderly or differently-abled individual sleeps on an empty stomach. It not only addresses hunger but restores dignity, social inclusion, and human connection among the most neglected segments of our society.

Partnerships for the Goal–JCI SalemSubam Challengers

"Lead. Lift. Inspire."

In an unprecedented step, we partnered with Junior Chamber International (JCI) to launch the **world's first JCI chapter led by differently-abled individuals**–JCI Salem Subam Challengers. With over 20 members, this initiative encourages leadership, civic participation, and personal growth through role plays, training, and social engagement. A defining moment

was our joint event in Madurai, where differently-abled members showcased their talents and broke public stigma. This partnership exemplifies inclusive leadership and transformative collaboration.

Climate Action – Miyawaki Forest Projects

"Green Today. Alive Tomorrow."

As part of our environmental commitment, we implement **Miyawaki afforestation projects** in government and aided institutions. These dense, native mini-forests combat environmental degradation, encourage biodiversity, and contribute to carbon reduction. With each plantation, we raise awareness of global climate change while involving communities in protecting their natural environment—one tree, one space, one school at a time.
